Letter of the Week: Aa

Traditional cursive · Trace, then write it on your own

Capital

Lowercase

How to write it

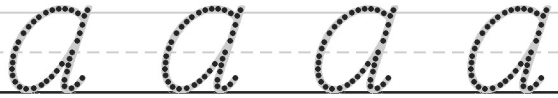

Capital A

1. Start near the top. Curve left, down, and around, then swing up the right side.
2. Start at the top again. Pull straight down, then curve out at the bottom.

Lowercase a

1. Start at the dot. Curve left and around to make an oval, then push up the right side.
2. Pull straight down from the top, then swing up to connect.

Trace the capital, then write it on your own

Trace the lowercase, then write it on your own

Trace the word "cat"
